Tampa, Florida 33626

OWNER

South Capital Construction, Inc.

PROJECT DESCRIPTION

BillerReinhart Structural Group, Inc. performed Threshold Inspector duties as per Chapters 471 and 553 of the Florida Statutes for the 4-story precast concrete parking garage. BillerReinhart reviewed structural drawings, specifications, and submittals, performed site visits to observe project construction, and prepared reports documenting the work to the building code official having jurisdiction over the project.
